	)	
SALVADOR DIAZ-GARCIA,	)	INFORMATION
	)	
Defendant.	)	
	)	

I, Daniel T. Satterberg, Prosecuting Attorney for King County in the name and by the authority of the State of Washington, do accuse SALVADOR DIAZ-GARCIA of the following crime[s]: **Assault In The Second Degree, Rape In The Second Degree**, committed as follows:

Count 1 Assault In The Second Degree

That the defendant SALVADOR DIAZ-GARCIA in King County, Washington, on or about June 25, 2017, did intentionally assault another and thereby recklessly inflict substantial bodily harm upon J.W. (4/26/98);

Contrary to RCW 9A.36.021(1)(a), and against the peace and dignity of the State of Washington.

Count 2 Rape In The Second Degree

That the defendant SALVADOR DIAZ-GARCIA in King County, Washington, on or about June 25, 2017, did engage in sexual intercourse with another person named J.W. (4/26/98),

1 under circumstances where J.W. (4/26/98) was incapable of consenting to sexual intercourse by

2 CAUSE NO. 17-1-03953-1 KNT

3 PROSECUTING ATTORNEY CASE SUMMARY AND REQUEST FOR BAIL AND/OR  
4 CONDITIONS OF RELEASE

5 The State incorporates by reference the Certification for Determination of Probable Cause  
6 prepared by Detective Marylisa Priebe-Olson of the King County Sheriff's Office for case  
7 number C17031435.

8  
9 Pursuant to CrR 2.2(b)(2)(ii) and (iv), the State requests a warrant because the defendant  
10 is currently in custody and is likely to commit a violent offense. At first appearance the court set  
11 bail at \$25,000.00. At that time the court was unaware that there was actually DNA recovered  
12 from the Rape Kit. Also at the time of first appearance it does not appear that the court was  
13 unaware of the level of injuries that was inflicted on the victim. The victim has multiple  
14 lacerations and multiple fractures to her face. Given that the victim and the defendant were total  
15 strangers, the complete violent nature of the assault, and the newly learned information regarding  
16 the DNA, the State respectfully requests that bail be set in the amount of \$250,000.00. The State  
17 is extremely concerned for community safety. At the time of filing the State is unaware of any  
18 criminal convictions for the defendant. The State is seeking a Sexual Assault Protection Order  
19 for the victim.

2 CERTIFICATION FOR DETERMINATION OF PROBABLE CAUSE

3 That Marylisa Priebe-Olson is a(n) Detective with the King County  
4 Sheriff's Office and has reviewed the investigation conducted in the King  
County Sheriff's case number(s) C1703435;

5 There is probable cause to believe that Salvador Diaz Garcia 2-36-94  
6 committed the crime(s) of Assault 1(RCW 9A.36.011), Rape 1(RCW 9A.44.040),  
Assault 2 (RCW 9A.36.021), and Rape 2 (RCW9A.44.050) .

7 This belief is predicated on the following facts and circumstances:

8 This incident occurred on 6-25-17 at about 2115 hrs. at the Discovery Landing Apartment Cabana gym,  
9 located at 15405 DES MOINES MEMORIAL DR S Burien, King County, WA 98148. V-JW was born  
10 on 4-26-98, 19 years old at the time of this incident, and did not know her attacker. Diaz Garcia, Salvador  
(S-Diaz) was born on 2-6-94 and lives at the Maple Point Apartments located at 15421 DES MOINES  
MEM DR S. # E104 Burien, WA 98148. The apartment complexes are located next to each other.

11 On 06/25/2017 at about 2203 hrs. Deputy Capalungan was dispatched to a call for assistance at V-JW's  
12 apartment. V-JW's mother reported that V-JW came home with a bloody head, missing teeth, and only  
13 wearing her tank top. Deputy Capalungan contacted V-JW who had obvious extensive injuries to her  
14 head. V-JW's right ear was torn and dangling, she had damaged/missing front teeth, numerous cuts on her  
15 head, and her upper lip was torn. She was bleeding from her multiple head injuries and unable to talk. V-  
16 JW was transported via TriMed to Harborview hospital.

17 V-JW, mother W-Denise said at about 2150 hrs. she was sleeping in her living room, when she heard a  
18 loud knock on the door. W-Denise answered the door and V-JW was standing there, missing her shorts  
19 and underwear. V-JW was just wearing a black tank top. V-JW was covered in blood and when asked  
20 what happened, V-JW said she was ok. RP-Williams told her she wasn't ok. RP-Williams said that V-  
21 JW began telling her different stories like she was confused due to the extensive injuries. V-JW kept  
22 stumbling around the living room, using the wall to stand, saying that she was ok and just wanted to go to  
23 sleep. RP-Denise called 911 for help.

24 On 6-26-17 your affiant contacted V-JW at Harborview Hospital. V-JW had stiches in her upper lip,  
25 lower lip, forehead, and left ear. V-JW had chipped front teeth and a black eye. V-JW had a hard time  
talking because of the extensive injuries to her face. A social worker at Harborview advised that V-JW  
had a broken orbital bone, broken jaw, broken nose, and lacerated left ear. V-JW said on 6-25-17 at about  
2100 hrs. a Hispanic male, about 6 foot tall followed her home, after getting off the bus at S 156<sup>th</sup> and Des  
Moines Memorial Dr S in Burien. V-JW said she went to the Cabana to work out and the Hispanic male  
said he lived there too, wanted to work out, and asked to be let inside. V-JW asked if he lived there and  
he gave her an apartment number so she let him in. V-JW said she was on the treadmill and he was in and  
out of the gym. V-JW said he was behind her asking her what station on the TV she likes to watch and  
she asked him to not to stand behind her. V-JW said she remembered going to leave and the next thing  
she remembered was waking up at Harborview. V-JW said about a month ago the same male grabbed her  
butt and ran off. V-JW said she had seen the Hispanic male him with a woman and kids near the  
apartment complex as well. V-JW had a sexual assault kit done since she had only her tank top on and no

1 other clothes. V-JW complained that her neck hurt and a red mark was seen on her neck consistent with  
2 strangulation. V-JW said the Hispanic male had a mustache and chin hair. She said his complexion was  
3 Carmel color and he had a Spanish accent. V-JW said that the Hispanic male was on his phone talking to  
someone about her being afraid of him when she was working out in the gym. V-JW had never spoken  
with the Hispanic male prior to this date.

4 Your affiant went to the crime scene, the gym at Discovery Landing Apartments located at 15405 Des  
5 Moines Memorial Dr. S in Burien, WA. There was blood all over the front of the treadmill, on the  
6 elliptical next to the treadmill, on the carpet, on the walls, and on the windows. One kettlebell with blood  
7 on it, was found on the treadmill. A second larger kettlebell with blood on it, was found on the Kettlebell  
rack behind the treadmill. Being hit with a kettlebell is consistent with the blunt force trauma V-JW  
suffered to her face and ear.

8 Your affiant contacted W-Vargas who saw a Hispanic male, fitting the suspect description, watching girls  
9 at the Maple Point Apartments on 6-25-17 about 40 minutes before V-JW was assaulted. The witness  
10 took a video of the suspect and called 911. The witness and suspect were gone before the police arrived.  
The Hispanic male fit the description of the suspect that assaulted V-JW.

11 On 6-28-17 Det. Olmsted contacted the manager of Maple Point Apartments and viewed their  
12 surveillance video. A Hispanic male fitting the suspect description was seen on video the evening of 6-  
13 25-17 at about 2050 hrs. The Hispanic male was watching young girls in the pool and going into the gym  
14 of that apartment complex. The Hispanic male was wearing a grey short sleeve t-shirt with a possible  
emblem on it, long grey or dark pants, tennis shoes, and a watch. The Hispanic male fit the description of  
the male who assaulted V-JW. The male in the video taken by W-Vargas is the same male that is in the  
surveillance video by the pool and gym are of the Maple Point Apartments.

15 On 6-29-17 Sgt. Turi contacted the apartment manager of the Maple Point Apartments and also viewed  
16 the surveillance video. The manager advised that two Hispanic males living in #E-104 look like the man  
17 in the surveillance video by the pool and gym. Sgt. Turi and your affiant contacted the resident of #E-  
104, W-Roche. She said that S-Diaz and W-Adrian lived at the residence and were not home.

18 On 6-29-17 1305 hrs. W-Adrian called your affiant. I advised him that we were investigating an assault  
19 that occurred on Sunday and wanted to meet with him to show him a photo to see if he who knew who the  
20 person was. W-Adrian agreed to meet with Sgt. Turi at his work. Sgt. Turi met with Adrian who looked  
at a still photo taken from the surveillance video at Maple Point Apartments, and stated it was a photo of  
S-Diaz.

21 On 6-29-17 Det. Olmstead showed a montage to 12 year old witness that saw a Hispanic male that  
22 matched V-JW's description, inside the cabana while she was getting water right before V-JW was  
23 assaulted. The 12 year old witness was read the montage instructions and immediately pointed to #2/S-  
24 Diaz saying that was him.

1 On 6-29-17 V-JW completed a sketch of the suspect and said the suspect who attacked her had a silver  
2 chain on his neck and a small mole on his left cheek. She described his hair combed straight down on his  
3 forehead. After the sketch was completed, V-JW was shown a montage by Det. Walford. V-JW read the  
4 montage instructions, looked at the montage, and pointed at #2/S-Diaz. Det. Waldord asked what it was  
5 about #2 and she said he "looks very similar." After your affiant and Det. Olmstead left the apartment V-  
6 JW told Det. Walford that #2/S-Diaz looked just like the person who assaulted her.

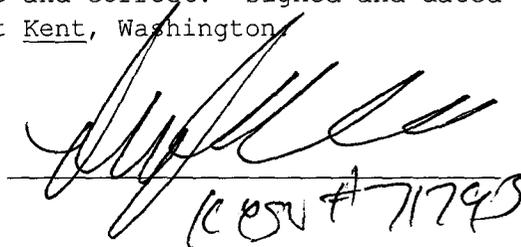

7 On 6-29-17 at 1641 hrs. Sgt. Ben Myers advised S-Diaz had been taken into custody in front of his  
8 apartment. S-Diaz was read his rights by Sgt. Chad Myers. At about 1523 hrs. your affiant read S-Diaz  
9 his Miranda rights which he verbally stated he understood, initialed, and signed that he understood his  
10 rights. S-Diaz denied leaving his apartment on 6-25-17 in the evening. When he was told we had video  
11 surveillance of him outside of his apartment with him wearing clothes different than what he said he was  
12 wearing, he asked to see the image. Det. Olmstead showed him a still photo taken from the surveillance  
13 camera at Maple Point Apartments. S-Diaz did not deny it was him and asked for an attorney.

14 On 6-29-17 at about 2040 hrs. a Search Warrant was served at S-Diaz apartment. Det. Olmstead  
15 recovered black pants in S-Diaz closet. The pants looked like the pants he had worn in the surveillance  
16 video and like what V-JW described her attacker wearing. The black pants had stains on them believed to  
17 be blood. W-Rocha, S-Diaz fiancé gave your affiant a statement saying on 6-25-17 at about 2100 hrs S-  
18 Diaz left their apartment wearing black pants, Nike tennis shoes, and a t-shirt. W-Rocha said he did not  
19 tell her where he was going and came home about an hour later sweating, breathing hard, and acting in a  
20 way that scared her. W-Rocha said he would not tell her where he was and said he had been at the gym.

21 Harborview Medical Records show V-JW injuries were comprised of a right ear laceration, left eyebrow  
22 laceration, right hairline laceration, left ZMA fracture with depression into the temporalis muscle, Left  
23 Anterior and lateral Maxillary sinus wall fracture, left orbital rim fracture with involvement of the  
24 infraorbital nerve with fracture fragments abutting the interior rectus muscle with small amount of left  
25 extraconal hemorrhage, , and open comminuted Left Mandibular body fracture with extension into the  
parasymphysis and into the roots of multiple teeth.

Your affiant took V-JW's sexual assault kit to the WA State Crime Lab. Scientist Reid advised she  
located a low level male DNA on the perineal swabs in V-JW's sexual assault kit. V-JW had not had  
consensual sexual contact with anyone for more than a week prior to her assault. Thus, any Male DNA  
found in the perineal swabs indicate sexual contact by her assailant.

Under penalty of perjury under the laws of the State of Washington,  
I certify that the foregoing is true and correct. Signed and dated  
By me this 2nd day of July, 2017, at Kent, Washington.
